## ABOUT ME

I create unique design solutions that are authentic to your brand.

Whether managing a project from start to finish or stepping in to pick up somewhere in the middle, I believe in design as a tool for problem solving, and I enjoy my work most when challenged to stretch my skill set.

"Strong individual with an open mind and a positive attitude who is always diligent in her work, attentive to details, creative, and goal oriented."

- Richard Downen | CEO, Milpower Inc.
